Formerly known as Asian-Pacific American Heritage Month. The month-long observance recognizes the influence and contributions of Asian Americans and Pacific Islander Americans to the achievements and culture of the United States.

During May, Jewish American Heritage Month recognizes the contributions American Jews have made, and continue to make, to the history, culture and society of this country. The Jewish people began establishing families, businesses, synagogues and contributing to their communities long before 1776.

SPOTLIGHT: Memorial Day

Memorial Day

Memorial Day is an American holiday, observed on the last Monday of May, honoring the men and women who died while serving in the U.S. military. Memorial Day 2022 will occur on Monday, May 30.

Originally known as Decoration Day, it originated in the years following the Civil War and became an official federal holiday in 1971. Many Americans observe Memorial Day by visiting cemeteries or memorials, holding family gatherings and participating in parades. Unofficially, it marks the beginning of the summer season.

Atlanta in May offers great weather and some of the city's most popular events. There is plenty going on throughout the month, culminating in several big festivals and events held over the Memorial Day weekend.
